DETAILED ACTION

1. This Office Action is a response to communications dated 04/12/01. Claims 1-20 are pending in the application.

Allowable Subject Matter

- 2. Claims 1-20 are allowed.
- 3. The following is an examiner's statement of reasons for allowance: The prior art of record, considered individually or in combination, fails to fairly show or suggest the unobvious and novel limitation of "wherein each voice packet include a preamble having a user identifier and an indication of the length of the voice packet", structurally and functionally interconnected with other limitations in a manner of recited in base claims 1 and 11. Dependent claims 2-10 and 12-20 further limit the allowed base claims 1 and 11, respectively.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

4. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.
